3. Enter your personal info. **The primary email you provide here will be used for password resets or express login. Enter the email of the person who will most likely be managing this account.**
4. Type in CORT in the 'Club or Team Name' box, and click on Cortlandt Community Rowing Association

6. Continue the prompts to create your membership. It will ask you to select your desired membership level (Basic or Championship, described above), and the process to complete an electronic waiver.
 1. Complete the electronic waiver:
 - It will ask you four safety-related questions. It's not a test, don't worry about getting answers wrong. You can google to find the answers if you like. It's used by US Rowing to create safety education packages.
 2. Record your member number – it's used to log in to the US Rowing membership website.
 3. Congrats! You're in the club!

If you've already registered with US Rowing, and need to renew your yearly membership (or update your yearly waiver):

1. Go to the US Rowing membership page: <https://membership.usrowing.org/>
2. Click on 'Members' under the 'Individuals' graphic

4. View your membership profile
 - Your membership expiration date will be at the top of the page. You don't have to renew until your expiration date (one year from the last time you renewed or upgraded). **Your membership must stay current in order to participate in CCRA activities.**
 - **Your waiver status must stay current in order to participate in CCRA activities (green check mark).** If not, please click on the 'Waiver' button on the left side of the page, and complete the electronic waiver.
 - If you prefer to auto-renew when your membership expires, you select that on the left.
 - CCRA should appear under 'My Organizations'. If not, click 'Join Organization', and provide the CCRA club code, **EAYKZ** (all caps) where indicated.

This is what your Membership profile looks like. Please make sure that:

- The 'Waiver' section has a green check mark. If not, select it to complete the online waiver.
- CCRA shows up under 'My Organizations'. If not, hit 'Join Organization', and follow steps 4-5 in the 'joining for the first time' section, above.
